SCHOOL OF ENGINEERING

**SANTA CLARA UNIVERSITY
SENIOR DESIGN PROJECT
FACILITY AND/OR EQUIPMENT USE ACKNOWLEDGMENT**

_____ (“Company”) and Santa Clara University School of Engineering students as set forth below (“Students”), hereby acknowledge the following:

- I.** Students are permitted to use the following facilities and/or equipment of Company to aid in the completion of Students’ senior design project:

- II.** Company shall provide to Students all necessary training and information relating to safety including, but not limited to, facility access requirements, hours of operation, working alone procedures, lab and shop safety-specific procedures, equipment-specific safety procedures, emergency procedures, and any other established safety programs or procedures.

- III.** Company shall maintain insurance with coverage and limits as described:
General Liability - \$2,000,000 per occurrence for bodily injury, personal injury and property damage. If general aggregate limit is used, the limit shall be twice the required occurrence limit; Workers’ Compensation - As required by the State of California; Property Insurance - full replacement cost with no coinsurance penalty.

- IV.** The Company and Santa Clara University shall defend, indemnify, and hold one another, their Trustees, shareholders, officers, employees, students and agents harmless from and against any and all liability, loss, expenses, attorney’s fees, or claims for injury or damages arising out of the use of the facilities and/or equipment as defined in Section I, above, but only in proportion to and to the extent such liability, loss, expense, attorney’s fees, or claims for injury or damages are caused by or result from the negligent or intentional acts or omission of the indemnifying party, its officers, employees, or agents. This results in proportional liability such that each party is responsible for its own harm.

- V.** All work product created by Students shall remain the sole and exclusive property of Students. Company shall obtain no intellectual property rights, including, but not limited to, copyrights, patents, trademarks, or other rights, in or to Student work product.
